Family Medicine Faculty Opportunity

The Montgomery Family Medicine Residency Program sponsored by Baptist Health is a fully accredited 6-6-6 community-based program. The program is seeking a full-time board-certified family physician for an open faculty position. The preferred candidate will have a minimum of 3 years of family practice experience. Teaching and OB experience a plus but not required. Strong computer skills are required. Typical duties of a faculty member include hospital and ICU medicine, private patient duties, precepting, lecturing, scholarly activities and curriculum management.

There are currently five full-time faculty members plus one psychologist. The program has been in operation for 13 years producing 66 family practice physicians and boasts a 50% retention rate of graduating residents practicing in our service area. This impressive number is a testament to the quality of life found in Central Alabama and to the dedication of Baptist Health in providing practice opportunities to its graduates.

Salary is highly competitive and includes a production incentive along with excellent benefits. Call is only one week out of five. In addition, relocation assistance of up to \$10,000 will be provided with the one time packing and relocation of household goods.

About Baptist Health and Montgomery

Baptist Health, a three-hospital system affiliated with the UAB Health System, has a collegial, supportive medical staff of more than 500 members. All committed to providing the best health care possible to our community while upholding the faith-based mission of the organization. With substantial growth in the region, we anticipate increasing demand over the next several years. The tri-county area has a population of approximately 325,000 residents and a draw area of over 600,000. Baptist Health offers a full array of specialty services.

Montgomery is the second largest community in the state of Alabama and offers a wide variety of recreational, cultural, and educational opportunities. The Montgomery area can provide a future for both professional and personal growth, as well as provide a wonderful atmosphere for families in which to live. For those whose passion is the great outdoors, there is no better place to be than Montgomery. The area offers an abundance of activities, including sporting and cultural events, two beautiful lakes and a Robert Trent Jones golf course. As the capital of Alabama, Montgomery is located in the central part of the state on the banks of the Alabama River, some 92 miles south of Birmingham and in easy driving distance to Atlanta and the beautiful gulf coast beaches.
