- **\$300,000.00 - \$400,000 based on experience / + production incentive**
- Excellent specialists and ancillary staff for support
- ERCP and EUS training and/or experience a plus

About Baptist Health and Montgomery

Baptist Health, a three-hospital system affiliated with the UAB Health System, has a collegial, supportive medical staff of more than 500 members. All committed to providing the best health care possible to our community while upholding the faith-based mission of the organization. With substantial growth in the region, we anticipate increasing demand over the next several years. The tri-county area has a population of approximately 325,000 residents and a draw area of over 600,000. Baptist Health offers a full array of specialty services.

With two major shopping malls, numerous golf courses and several country clubs, you will be more than satisfied with calling this community home. One of the golf courses was rated in a grouping with other courses as **# 8 in the world to play (Golf Digest)**. The local economy is strong (new auto plant) with the state government and two Air Force bases. This community also offers:

- Public and private schools with magnet level and college prep courses
- **Two major SEC universities** located nearby and four universities and colleges in town
- Outdoor activities including hiking, horseback riding, canoeing, boating, fishing and hunting
- Cultural amenities including a symphony, two professional ballet companies and museum
- Enjoy the **Shakespeare Theatre**, Museum of Fine Art, zoo, concerts, professional baseball and more
- The Shakespeare Theatre was built to the exact specs of the Theatre in London!
- **Easy access to the Gulf and Atlantic Beaches!**

We want to talk to you!!
