

Cardiology Opportunities

Recruitment Opportunities:

Exceptional Cardiology positions are available in Montgomery

Baptist Health is assisting one of our regions premier cardiology groups, Montgomery Cardiovascular Associates, P.C., in the expansion of their practice. This large cardiology group consists of twelve (12) cardiologists allowing for excellent call coverage and other benefits afforded by a larger group practice. This progressive group has earned an excellent reputation through years of exceptional, compassionate care for their patients and unequalled service to the medical community. This will be an employed position with a two year partnership track with no buy-in. To learn more about Montgomery Cardiovascular Associates, visit www.mcva.com.

About Baptist Health

Baptist Health, a three-hospital system affiliated with the UAB Health System, has a collegial, supportive medical staff of more than 500 members. All committed to providing the best health care possible to our community while upholding the faith-based mission of the organization. With substantial growth in the region, we anticipate increasing demand for services over the next several years. The tri-county area has a population of approximately 325,000 residents and a draw area of over 600,000. Baptist Health offers a full array of specialty services.

Baptist Medical Center South, central Alabama's tertiary referral center, is well known for its quality cardiovascular services and has three cath labs, one EP lab, a chest pain center and full diagnostic testing including nuclear medicine, EKG, stress test, cardiac rehab and a newly installed 64 slice GE CT. Cardiovascular services have been and will continue to be a major service line at Baptist Medical Center South. Baptist Medical Center South is a self-designated level II trauma center and has an active open heart programs with three cardio thoracic surgeons.

About Montgomery

Montgomery is the second largest community in the state of Alabama and offers a wide variety of recreational, cultural, and educational opportunities. The Montgomery area can provide a future for both professional and personal growth, as well as provide a wonderful atmosphere for families in which to live. For those whose passion is the great outdoors, there is no better place to be than

Montgomery. The area offers an abundance of activities, including sporting and cultural events, two beautiful lakes and a Robert Trent Jones golf course. As the capital of Alabama, Montgomery is located in the central part of the state on the banks of the Alabama River, some 92 miles south of Birmingham and in easy driving distance to Atlanta and the beautiful gulf coast beaches.
