About Baptist Health

Baptist Health, a three-hospital system affiliated with the UAB Health System, has a collegial, supportive medical staff of more than 500 members. All committed to providing the best health care possible to our community while upholding the faith-based mission of the organization. With substantial growth in the region, we anticipate increasing demand over the next several years. The tri-county area has a population of approximately 325,000 residents and a draw area of over 600,000. Baptist Health offers a full array of specialty services.

Montgomery is the second largest community in the state of Alabama and offers a wide variety of recreational, cultural, and educational opportunities. The Montgomery area can provide a future for both professional and personal growth, as well as provide a wonderful atmosphere for families in which to live. For those whose passion is the great outdoors, there is no better place to be than Montgomery. The area offers an abundance of activities, including sporting and cultural events, two beautiful lakes and a Robert Trent Jones golf course. As the capital of Alabama, Montgomery is located in the central part of the state on the banks of the Alabama River, some 92 miles south of Birmingham and in easy driving distance to Atlanta and the beautiful gulf coast beaches.
