Baptist Health’s Nurse Refresher Program is online and self-paced, helping you continue to balance work, life, and your career.

Powered by the nationally ranked UNC-Chapel Hill School of Nursing and the Friday Center for Continuing Education.

For more information and registration instructions, contact Allison Hale at aphale@baptistfirst.org or (910) 443-1099.
The online Baptist Health Nurse Refresher program, developed by UNC-Chapel Hill, is designed to refresh nursing skills and prepare someone to return to the field.

The Theory Course consists of 24 modules, each with 2 main components: The textbook chapter provides detailed content necessary for understanding the learning outcomes for each module. The online module outlines the learning outcomes and includes interactive learning activities, additional in-depth and evidence-based notes, and key points that support the learning outcomes. Every module culminates in an exam that assesses your mastery of the learning outcomes.
