UAB CARDIOTHORACIC SURGERY OPPORTUNITY

UAB School of Medicine – Division of Surgery

Baptist Health is assisting the UAB Department of Cardiothoracic Surgery in seeking a Cardiothoracic Surgeon to expand the Multispecialty Clinic at Baptist Medical Center South in Montgomery, AL. This full time/permanent position will include teaching responsibilities of the UAB Internal Medicine residents and third and fourth year medical students as well as the Montgomery Family Medicine Residency. This is an academic hybrid practice with private practice earning potential. Expected skills should include a full spectrum of cardiovascular surgical procedures as well as thoracic.

Board eligible/board certified physician with strong recommendations and ability to receive licensure and credentialing in Alabama is required. UAHSF offers a competitive salary, excellent benefits and relocation assistance. For benefit information visit www.uabmedicine.org/web/careers/benefits-and-perks.

UAB is an Equal Opportunity/Affirmative Action Employer committed to fostering a diverse, equitable and family friendly environment in which all faculty and staff can excel and achieve work/life balance.

For more information about this practice opportunity, visit www.uabmedicine-baptist.org.
