Baptist Health is looking for well-trained, compassionate and career-oriented adult, geriatric and adolescent mid-levels to join our team. Qualified candidates must have experience treating adult, geriatric or adolescent patients, deliver high quality care and work well with others.

This opportunity will support 42 adult and geriatric and 18 adolescent inpatient beds in our mental health facility, Crossbridge Behavioral Health. The most common types of cases treated include: anxiety, depression, bi-polar disease and schizophrenia. Mid-levels will be supported by a full staff of psychiatrists, nurses, social workers and an ED intake team. Full time day time positions are available. Compensation is based upon experience and includes a comprehensive benefit compliment. This opportunity is a hospital employed position with base salary, wRVU productivity bonus, sign on bonus, relocation, student loan repayment, full benefits package including medical, dental, vision insurance, medical malpractice insurance coverage including tail, paid time off, paid CME, professional expense allowance and retirement plan opportunity including employer match.

Baptist Health is a faith-based, three hospital system located in Montgomery, the state capital of Alabama. We are affiliated with the UAB Health System and enjoy clinical relationships with UAB through teaching activities and services agreements. In 2014, we proudly opened the UAB School of Medicine Montgomery Regional Campus on the campus of Baptist Medical Center South, central Alabama’s regional tertiary medical center. Baptist Health is the market leader for health care services and provides a full spectrum of specialty services and primary care.
