NEUROLOGY OPPORTUNITY

Baptist Health is recruiting two neurologists to join the Baptist Health Neurological Clinic (BHNC), a highly productive employed practice with five full time physicians. Exceptional candidates who are board eligible or board certified can expect a competitive compensation package that includes a guaranteed base salary with WRVU production bonus, quality incentive bonus, annual raise opportunity, paid time off, generous benefits and relocation assistance. BHNC is supported by excellent specialists and ancillary support staff. BHNC is affiliated with Baptist Health, the largest non-governmental employer in Montgomery serving a 14 county area of 600,000 people. Primary duties will include outpatient clinic and inpatient consults at two hospitals. Call of 1:4 with ED support of tele neurology specialty coverage. The ideal candidate will offer general neurology services with the opportunity to practice sub-specialty interest. Neuromuscular, stroke, headache and movement disorders sub-specialties are needed.

Baptist Health is a faith-based, three hospital system located in Montgomery, the state capital of Alabama. We are affiliated with the UAB Health System and enjoy clinical relationships with UAB through teaching activities and services agreements. In 2014, we proudly opened the UAB School of Medicine Montgomery Regional Campus on the campus of Baptist Medical Center South, central Alabama’s regional tertiary medical center. Baptist Health is the market leader for health care services and provides a full spectrum of specialty services and primary care.
