OTOLARYNGOLOGY OPPORTUNITY

Baptist Health is recruiting two board certified / board eligible Otolaryngologists to open a new hospital employed practice at Baptist Medical Center East, located in Montgomery, Alabama. These new surgeons will participate in the clinic design, equipment selection and hiring of new staff to support the practice. The clinic is located in the capital city of Alabama in the heart of the affluent east side of town and will provide comprehensive diagnosis, treatment and surgery for ear, nose and throat conditions for both adult and pediatric patients. Hospital ER call is required with 1:5 weekday rotation and 1:10 weekend rotation shared with other community otolaryngologists. There is also opportunity to become a joint venture share owner of the Montgomery Surgical Center and participate in profitable surgery center distributions.
